September 2021 - October 2022

ABOUT ME

I'm a dedicated team player with the ability to work with many stakeholders and a learning project management background.
I'm an autodidact who draws conclusions from data to make informed decisions. My "can-do" attitude and commitment always focus on quality and meaning.

WORK EXPERIENCE

Instructional Designer, RnD Ops L&D Specialist | SolarEdge
August 2023 - Present

- Designing, developing, editing and producing E-learning solutions for SolarEdge customers
